

Trusted partnerships. It's the foundation of good business practices.

Maximize  
the benefits  
of our  
solutions

Together, providing superior  
levels of flexibility, efficiencies  
and performance

# Partner Ecosystem

The breadth of our community of partners is unmatched in terms of expertise and knowledge, allowing you to connect with a variety of industry leading consulting, technology, and software companies so that you continually maximize the benefits of our solutions.

## Interoperability and Integration Partners

We integrate with a range of software and technology companies so that our solutions provide superior levels of flexibility and performance while gaining additional efficiencies through workflow automation, interoperability, and the reduction of paper-based processes.

# Solution Sheet

## Integration vendor partners are available to assist organizations with:

- Pharmacy
- Therapy
- Charting and Point of Care
- Customer Relationship Management
- Dietary Services
- Embedded Educational Services
- MDS Analytics

## Professional Services Partners

It takes more than software to operate at peak performance levels. It also takes outstanding resources that can provide valuable information on business process automation, revenue cycle management, clinical and financial education, and industry best practices.

## Our network of Professional Services Partners will help you and your staff excel in areas such as:

- Clinical and Financial Optimization
- Point of Care Documentation
- Integrated Medication Management
- Customer Relationship Management
- Technology Services
- Hardware and Infrastructure
- Disaster Recovery
- Accounting and Financial Services

## About PointClickCare

PointClickCare helps healthcare providers meet the global challenges of senior care by enabling them to achieve the business results that matter – delivering the highest quality of care at the lowest cost. PointClickCare's cloud-based software platform connects healthcare providers across the senior care continuum, providing easy to use, regulatory compliant solutions that support a coordinated, person-centered approach to care delivery. Over 9,000 long term and post-acute care homes use PointClickCare today, making it the North American market leader and Electronic Health Record platform of choice for the senior care industry.
