Preparing for and enabling those conversations is a key strategic activity. This session discusses what providers and vendors are doing to help enable care coordination conversations across the care continuum and how data-driven approaches to episodic care management practices and value-based payment models are being envisioned.</p> <p>Learning Objectives:</p> <ol style="list-style-type: none"> <li>1. Understand what other providers are doing right now and where the gaps are</li> <li>2. Strategies you can take to build relationships</li> <li>3. How to leverage technology/tools to help you prepare the conversation with networks</li> </ol>
2:00 p.m. – 3:00 p.m.	<p>Panel Discussion: <b>Preferred Provider Status – What are Hospitals and ACOs Really Looking For?</b> <i>Panelists:</i> Dr. Rajeev Kumar, MD, CMD, FACP, CMO, <b>Symbria</b>; Ian Crook, COO, <b>Itex Company</b>; Kerrie Samuelian, Clinical Transitions, Post Acute Program Leader, <b>Edward-Elmhurst Health</b>; Samantha Caruso, LCSW, ACM, ACO Social Worker, <b>Amita Health</b>; Sherry Tuman, RN, BSN, Manager – Post Acute Network, Skilled Nursing Facilities Program IL, <b>Advocate Aurora Health</b></p> <p>What qualifies a provider to achieve a spot in a hospital’s or ACO’s Preferred Provider Network? Hear directly from a panel of hospital representatives &amp; healthcare providers as they discuss their view on what exactly they look for. We’ll also discuss ways that we can improve clinical outcomes and performance through data sharing. Leave with answers to your FAQs, such as:</p> <ul style="list-style-type: none"> <li>• What kind of data are you currently sharing between hospital/SNF/ACO?</li> <li>• How are you using data to select which organizations to partner with?</li> <li>• How can we improve clinical outcomes and performance improvement through data sharing?</li> <li>• What are some of the barriers to exchanging this data?... and more!</li> </ul>
3:00 p.m. – 4:00 p.m.	Closing Remarks   Happy Hour   Networking
